<sup>1</sup>Of the states listed, Hawaii is not represented by its Attorney General. Hawaii is represented by its Office of Consumer Protection, an agency which is not a part of the state Attorney General's Office, but which is statutorily authorized to represent the State of Hawaii in consumer protection actions. For the sake of simplicity, the entire group will be referred to as the "Attorneys General," and such designation as it pertains to Hawaii, refers to the Executive Director of the State of Hawaii Office of Consumer Protection.
